

Marie LEA DEAF Hondurans

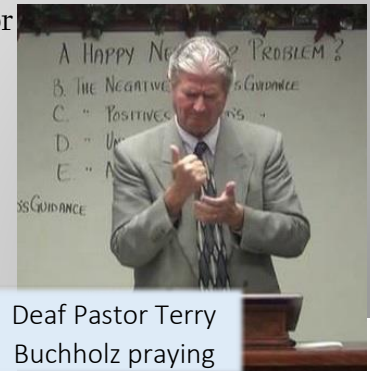

...and they that have not heard shall understand. Romans 15:21

November, 2015

God has already provided just **over 33%** of my monthly financial goal, thanks to the monthly pledges of several churches and families. Thank you for your generosity, and please continue to pray for my safety as I travel and present my work in churches; and that more churches would have me come and present.

I had a wonderful time presenting my ministry in Hampshire View **Deaf Baptist Church** in Silver Spring, MD 2 weeks ago. Being in a Deaf church was unique; no piano, no sound system, and when the back door slammed in the middle of the service, I was the only one who jumped! Despite the "silence," their enthusiasm for missions was evident as they asked me all sorts of questions for 2 hours following the service.

Deaf Pastor Terry Buchholz praying

God has opened up the opportunity for me to go on a week-long medical and surgical **missions trip** to Honduras through Medical Missions Outreach (www.medical-outreach.com) next January. I am grateful for the chance to see and experience a

surgical trip at this point, so I can be an asset in future surgical trips in Honduras. Please pray for safety and wisdom in the many decisions involved in such a trip. Four of my brothers are going as well, and I can't wait to introduce them to Team Honduras!

An operation during MMO's surgical trip to Honduras in 2014.

*You may have seen my blog post about studying for the **National Interpreter Certification** test in October. Praise the Lord, I passed part one (of two), and I covet your prayers as I prepare to take the second part in the next few months to become nationally certified in American Sign Language interpreting*

I am beginning to set aside any extra funds for my **"Start-Up Fund."** It costs approximately \$30k to move to Honduras (vehicle, furniture, residency...), and I appreciate your prayers for this as well. If you would be interested in donating to this, you may do so through my website (you can add "special instructions" after choosing method of payment) or by sending a check to BIMl. (Made out to BIMl, with my name and "Start-Up Fund" on the memo line.)
