

Ben and Marie Muldoon

Developing and Deploying Deaf Disciplers

Training men in the local church
to reach the silent world.

September, 2020

July 31st, 2020 we officially **joined Silent Word Ministries International (SWMI)** as our mission board. We are grateful for the support of many, including Marie's former board BIMI, during this transition! If you have not done so already, please use the information below to **reroute all financial support through Silent Word Ministries** to prevent delays or returns of your gifts. Thank you to the many churches and individuals who have already begun sending funds through Silent Word Ministries!

SWMI Director, David Bennett, has been our mentor for many years.

July 7-14 We both attended a **Deliberate Discipleship Retreat** hosted by our new mission board director, David Bennett. Twenty-three pastors, missionaries, and faithful servants were challenged to reproduce believers. Brother Bennett asked Ben to teach the opening session on the importance of a personal walk with God before discipling others to walk with God. We are motivated to continue multiplying disciples for Christ, here and abroad! **Thank you for your prayers as we develop in these areas.**

It has been a joy to get **“plugged in”** to our sending church, Stanley Heights Baptist. Local COVID regulations have allowed for church services and Sunday Schools to restart, and we have enjoyed being a part of Vacation Bible School, children's ministries, Deaf ministry, visitation, and more. **Pray for Marie as she gets to know her new church family.**

Our **deputation/furlough schedule** is filling up! We are humbled to share that between now and March, 2021 we have several meetings booked every month in churches across the US. Thanks to many supporting churches we are already at 40% of our needed support! Our new materials and presentation for Romania are also coming together and we are excited! **Please pray for safety on the roads and flexibility** with all the added uncertainty the COVID regulations bring. Also, **please pray for clarity as we report** on what God is doing in Honduras **and explain** our vision for reaching the Deaf in Romania and beyond.

Half the VBS offering was given to our ministry!
