Church-Planters to the Deaf in Romania

Training men in the local church
to reach the silent world.

March, 2022

Since Russia invaded

Ukraine, many of you have asked if we still plan to move to Romania in the Fall. After prayer and discussing it with our pastor, mission board director, and missionaries currently in Romania, **we are still moving forward**. We are grateful that God is actively at work and not taken by surprise! Romania is still considered to be politically safe. It is still an ideal location to start a Deaf church in Eastern Europe that is eventually mature, stable, and focused on training Deaf from many countries for ministry.

This February we **visited several churches** in Tennessee and Georgia, Pennsylvania, Maryland, and Delaware, as well as enjoyed two weeks at home – in our own beds! ☺ - attending our home church. This March we have meetings booked in churches in Maryland, Michigan, upstate New York, and western Pennsylvania. With the twins on the way, our monthly financial support goal increased a little, per our mission board policy, but a few churches began or increased their support in February, placing **our promised support at 78%**. We hope to schedule several more meetings in Georgia, Tennessee, and Alabama this Summer, since we will need to stay close to home beginning in June (see paragraph on twins). Thank you for your faithful generosity and support! *Please continue to pray for meetings and church financial partners as we wrap up this season of our ministry.*

Ben taught on missions at a Deaf church in Delaware.

This is turning into quite the busy year! After visiting churches in the Northeast and Midwest, we plan to stay close to home in April and early May so Marie can fulfill the clinical requirements to transfer **her Registered Nurse license** to Georgia. *Please pray for final details to come together so that Marie can accomplish this before her 3rd trimester begins.*

Lord willing, this would be followed by a **survey trip**. (See bottom left paragraph.)

As we announced last month, we are excited to welcome **TWO more little ones** into our home, due in August! This postpones our move overseas to at least October, assuming there are no major complications with the twins. This also means that most of our summer meetings will need to be closer to home in June & July to accommodate the extra prenatal check-ups recommended in the final trimester. *Please continue to pray for a healthy pregnancy and delivery.*

We are planning to **visit Romania**

in late May-early June, but there are many potential road blocks at this point. Marie's pregnancy would need to remain low-risk. Also, COVID requirements for international travel tend to change without notice. Current world events may also affect a survey trip. We are communicating with missionaries in Romania as well as other counselors in the US as we tentatively move forward. *Please pray for wisdom and clarity related to this potential trip.*
