

Ben and Marie Muldoon

Church-Planters to the Deaf in Romania

Training men in the local church
to reach the silent world.

January, 2022

Thank you for your prayers as we traveled to Honduras Dec 28-Jan 6

(our first international flight with 7-month-old Serenity)! There were several exciting moments on our trip, due to changing COVID regulations and long lines, but miraculously we and our luggage made all our flights there and back! The trip was a sweet time of fellowship and official "good-bye's" to many dear friends that Marie worked with while a single missionary to the

Deaf in El Progreso from 2017-2020.

We also successfully completed all the outstanding legal paperwork regarding Marie's vehicle, bank accounts, etcetera since she moved in 2020. Ben enjoyed driving in a foreign

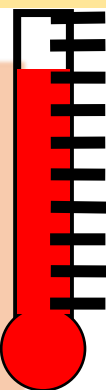

country for the first time and Serenity received plenty of adoring attention!

Marie's main focus in Honduras was training **Marlon and Bridgy Sierra** in Deaf ministry, language, and philosophy. Together they spent over 400 hours in Honduran sign language classes, out visiting deaf people, attending deaf events, and visiting deaf ministries in surrounding cities. The plan was for them to graduate in April, 2020, but Marie evacuated Honduras on March 30th, when COVID shut everything down. On Wednesday, January 5th, Marie **officially presented them their certificates!** Since March, 2020, the Sierras have ministered to local Deaf through Zoom Bible studies, YouTube videos, and humanitarian relief after 2 hurricanes hit the country. Most of the Deaf have been hesitant to receiving house visits due to the pandemic, but a couple recently asked for a Bible study in their home. When Marlon asked the husband what he wanted to learn about the Bible, he signed, "Everything!" *Please pray for wisdom as the Sierras endeavor to share the Bible with this couple around the husband's rigorous work hours.*

We are grateful for additional supporting churches, bringing our **promised monthly support to 81%! This January we have several meetings booked in New Jersey, Maryland and West Virginia, and then we currently plan to be closer to home in Tennessee and Georgia in February. Thank you for your prayers for our safety, and for wisdom as we endeavor to serve in each church we visit. We are excited to watch how God brings in the remaining 19% of our needed support!**

In November we presented our work in various churches in Michigan, Pennsylvania, and New York. It was a blessing to spend Thanksgiving at our home church in Tennessee. We then drove north again to spend Christmas with Marie's family in Maryland and West Virginia. This was an extra special time, as we anticipate living overseas next Christmas.
