Church-Planters to the Deaf in Romania

Training men in the local church
to reach the silent world.

March, 2023

We arrived in Romania, on January 18th and God graciously allowed ALL 19 of our checked bags as well as all of our carry-ons and stroller to arrive safely. **What a huge answer to prayer!** We stayed with another missionary family for a week while we got over jet lag, set up our phones, bought items for our new home, and learned how to find food staples at the grocery store. On January 25th we moved into our new home in Bucharest, a 3-bedroom duplex we happen to share with another American family. Our Christian, English-speaking landlord has been very good to us. We have also begun the process of applying for our religious visas that we need by April 15th to stay in the country. Please pray for favor with the local and government authorities on our behalf. Once we have our visas, we will be able to start the process of

We began our studies with a two day/9-hour Introduction to Romanian Culture class the week of February 6th. **Language studies began** on February 17th with 8 hours/week of classroom instruction. Of course, with 3 little ones we had to have a reliable babysitter, and God provided exactly what we needed! We are gradually increasing the hours we spend studying Romanian as the weeks go by, and we aim to be receiving 12-15 hours of instruction per week between class and other supplemental resources. Pray for language acquisition and patient, helpful people to converse with.

purchasing a vehicle. Living without a car has taught us much about local public transportation, and helped with staying in shape as we walk or take the metro just about everywhere we need to go! As we settle into our new home, language school, and daily routine, there are several individuals we consistently connect with. Perhaps your church, family, or Sunday school class could adopt one to pray for. Ask us for an update any time via email or through our website!
