Things have picked up as the weather has cooled down! Thank you so much for your faithful prayers for us during this pivotal **first year here** in Bucharest, Romania! Below are several highlights that God has been doing recently and some prayer requests!

Thank you for praying for our **childcare** situation! Our former babysitter had to leave, and we could not go to language class for two months. At the end of September, we found a young lady to babysit. She is from Argentina and is here with her husband from Spain. She has been a great asset to the family, and Marie appreciates the Spanish refresher! Please pray for J.P. and her salvation.

The Lord has graciously reconnected us with our former babysitter, M.K., and we have had several **good conversations** with her. She thanked us for praying for her and her visa situation even though she grew up in a Muslim home. Please pray for wisdom in this relationship as our role has changed from employer to trusted friends.

M.K. asked to meet us at the park for her birthday!

Our **language classes** restarted due to the answer to prayer with childcare! We have almost completed 180 hours of total class time, and we hope to be approaching the halfway point by the end of the year.

Please continue to pray for us in this key area of life and ministry.

Language school
hours completed: 178
Goal: 480

Marie takes our **kids to the local park** almost every morning and has had a couple of great opportunities to speak with other moms who come regularly with their child(ren). She was able to hand out some tracts and cookies to several Chinese mothers and was invited to lunch with one of them. She's also started a Gospel conversation with a Romanian lady, and has had a handful of opportunities to share Biblical truth as people ask her how she handles three little ones! Please pray for her as she ministers to our kids and the other mothers!

One way that God is helping us with the language

is through growing relationships with young, spiritually hungry, Romanian believers. One of them is 25-year-old Alex, a computer programmer that loves God and evangelism. Ben has gone out soul-winning in city parks several times with him (Ben is still in the stage of a silent partner), and **recently two teens put their trust in Christ!** Alex also regularly comes over to our home and our comradery has blossomed into a discipleship relationship! Please pray for wisdom and growth for both of us to be more like Christ as we begin to meet; and more systematically cover important truths from God's Word!
