## Church-Planters to the Deaf in Romania

Training men in the local church  
to reach the silent world.

November, 2021

Do prayers really help? Our family came down with **COVID in October**, forcing us to drive home to northern Georgia from upstate New York, postpone 4 meetings, and quarantine for 10 days. Though it was an overnight change of plans, we watched God take care of us. We safely traveled 15 hours while not feeling well and we experienced comparatively mild symptoms. Serenity's only sign of the virus was cyclical, low-grade fevers. She remained happy, energetic, and with a full appetite! We believe God's protection was a direct result of your prayers. While we were in isolation and recovering, Marie turned 32 (10/14), Serenity turned 5 months (10/17) (*see 5 month picture*), and Ben turned 31 (10/20). Quite the week!

Visiting the Ark Encounter while on the road.

In September and October we visited churches in Maryland, Virginia, Pennsylvania, New York, Ohio, and Michigan. Thanks to several new supporting churches

since our last prayer letter, we are now **promised 77%** of our monthly financial goal! We have several meetings booked the rest of this year. We are also planning to **visit Honduras** for a few days over New Year's so that Marie can say official good-bye's, complete some paperwork, and pick up some suitcases left behind when she evacuated in March, 2020. Please pray for continued safety on the roads, opportunities to share our ministry in churches, and wisdom as we travel overseas with COVID regulations.

Did you know?  
Most sign languages have a distinct grammar structure from the local spoken language.  
*Example: English - "God loves the world."  
ASL - "World ball people God loves"*

Now that we are raising the last quarter of our support (see box on left), many people have asked **when and where we plan to move to in Romania**. While we are eager to start a church, for our first year(s) in the country will be focused on learning Romanian and then Romanian Sign Language. We are currently researching various language classes and schools and reaching out to multiple sources for council and direction. Please pray that God would clearly confirm where He would like us to learn both languages so that we can proceed with moving plans.
