The **five young people** we meet with weekly for Bible study (for sixteen months, now) have been growing! In the beginning of April, Ben was able to take four of them to a Youth conference hosted by another independent Baptist Church in the country (see picture). **The preaching and conversations led to three of them - two men and one lady - being called into either ministry or Deaf missions!**

Ben has spent extra time with the three young men in the Bible study, teaching them how to study their Bible, prepare a sermon, and what God says about being godly men. One of the young men is planning on preaching his first sermon this summer. The young ladies that attend have also had a recent opportunity to observe and begin training in teaching and leading a children's class. *Pray for their continued growth and for their lost family members to trust Christ!*

It is exciting when someone trusts Christ alone for their salvation! In the beginning of April, Ben had an opportunity to share the Gospel with a young man, R, and he trusted in Christ for the gift of **eternal life!** He has met with Ben several times since then to discuss other aspects of his new life in Christ. Please pray for him as he has an uphill battle to disentangle his understanding of what he was taught in Romanian Orthodoxy with what the Bible says. In addition, God has opened further opportunities for Ben to sow Gospel seed with D, T, and A! *Please pray for wisdom for us as we seek to carefully share the Gospel amidst the teachings of Orthodoxy.*

A lady from one of our supporting churches was a huge blessing as she came in May to **teach Marie how to sew** while her two daughters watched the kids! It has already been a huge help to us, and we are grateful for their investment made in our lives.

Ben's 11 months-and-counting of filling the role of **interim pastor** at a local hearing church has been a growing and stretching season as we have learned much, both culturally and linguistically. Our language continues to develop, and at the same time reveals more areas in which we need to grow. *Pray for the church to find God's man for them and pray for us to continue to faithfully serve while still growing in the Romanian language.*

Marie is **pregnant with a little boy**, due mid-November! *Pray for this pregnancy* and for us as we prepare for both the new baby this year and furlough in the U.S.A. next year. **We are planning to start traveling in late Spring/early Summer 2027.** Please let us know if you would like us to come and visit you AND the general timeframe that would be preferred. While we will not be able to accommodate everyone, we are looking forward to seeing as many of you as we can!
