This September is our **5-year anniversary** since we presented at our first deputation meeting as “Muldoons to Romania!” We like to celebrate this month with an **annual summary**, rejoicing in some key highlights of the past year:

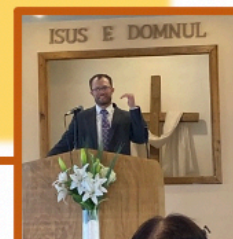

- Marie completed 420 hours of language school in December (her goal) and Ben completed 480 hours of class (his goal) in June!
- Ben took a 2-week trip to India with our mission’s director in January.
- Our 4th child, Victor, was born in February!
- Ben began teaching a weekly Bible study in Romanian to 5 young people in our home in March.
- Ben preached his first sermon in Romanian in April.
- Ben began preaching weekly in Romanian in June.
- In August, Ben accepted the position of interim pastor at the local Romanian independent Baptist Church where we have been attending for a year!

The **Bible study** that Ben has been teaching in our home on a weekly basis since March is

progressing well. The 5 college-aged Romanians have come to our home on additional days to ask Ben more questions and attend church with us. Their questions range from Bible trivia to how to face some more personal, current life trials with a biblical perspective. Two of the young men also joined Ben for a few hours of prayer one afternoon in August so they could learn how to improve their own prayer life. It is exciting to watch God change people from the inside out!

God has recently – though unexpectedly – led Ben to take an **interim pastorate** position at a local church we’ve been attending. After 20 years of faithful service, the Lord led the former pastor to take a teaching position in China. Ben’s role will terminate once a new pastor is established, or we return to the USA for furlough in 2027, whichever comes first. During this time, we are focused on strengthening the congregation and organizing both the facilities and the ministries in preparation for the future. *Please pray for wisdom, pray for continued growth in the language, and pray that God would raise up the right man at the right time to take over this church.* This experience will be invaluable when starting a Deaf church in a few years!
