## Church-Planters to the Deaf in Romania

Training men in the local church  
to reach the silent world.

May, 2021

Ben sat for his **ordination council** on April 29<sup>th</sup>... and passed! It was an honor to have several missionaries and church planters evaluate Ben's life, doctrine, and philosophy of ministry. They found them consistent with the Bible and the Biblical qualifications for pastors. We look forward to his ordination on June 20<sup>th</sup> – coincidentally his first Father's Day!

In our last prayer letter we excitedly announced an evangelistic mission trip to the **DeafNation World Expo** in Las Vegas, NV this coming July. The leaders of this international, secular event have decided to postpone it to 2022, due to the current complications of international travel with COVID. Since we hope to be in Romania by next Summer, it looks like we will not be attending personally. However, progress continues on the **Animated Gospel Video presentation** to distribute for Deaf evangelism. *Thank you so much for giving toward this exciting project!*

**Over \$3,000** has been designated toward this unique Deaf ministry tool since our March prayer letter.

Thanks to a few churches taking us on, and others increasing their monthly support, we are now **promised 60%** of our monthly financial goal!

A special thank you to several supporting churches and individuals who have sent additional financial gifts over the last few weeks.

We've presented in churches in NC, VA, MD, WV, PA, and TN since our March prayer letter. Please continue to pray for safety on the road and wisdom with *where* and *when* to schedule meetings. About a month after baby's arrival we're planning to head out to the South West for several meetings this summer.

Did you know?  
Cluj-Napoca, Romania's 2<sup>nd</sup>-largest city, has 2 trade schools for the Deaf, and the country's highest Deaf population.

**Marie's pregnancy** is past 36 weeks, so we are awaiting the arrival of our baby girl at any time! Thank you for your prayers for health and safety; Marie is doing well, and sonograms show the baby is developing normally. It's been humbling to watch God provide abundantly for everything we need for baby's arrival over the last few months (though one can never have too many diapers!). Please pray for a safe delivery, and keep an eye out for a baby announcement!

Recent baby shower at our sending church.
