## Developing and Deploying Deaf Disciples

Training men in the local church  
to reach the silent world.

November, 2020

We've been **on the road** since mid-September, sharing our plan and passion for planting a Deaf church and training Deaf men for ministry in Romania. We've been in MO, KY, TN, VA, NC, and FL. We are humbled by the hospitality and generosity of so many churches. What a joy to invest in the lives of young people and adults – hearing and deaf – as we go! November and December include several meetings in Alaska, GA, and AL. Thank you for your prayers for safety as we travel.

Also, Ben turned 30 and Marie turned 31 in October. It's humbling to reflect on how God has led us to this point in our lives, and has used many of you to do so.

It was a special delight to be **highlighted at our sending church's** missions emphasis Sunday, "Vision for the World" at Stanley Heights Baptist Church on October 4th.

The last two weeks of September we completed our website! Check it out at **[www.muldoons4d.com](http://www.muldoons4d.com)**. There you can view both of our new videos: Marie's 5' report video on Honduras (Click on "Latest" > "MLW for Deaf Hondurans"), and our 7' presentation video for Romania (click on "About").

On our website you can also: sign up for our prayer letters and/or bimonthly blogs, financially support our ministry, contact us, and learn more about our background and experience.

Our **deputation/furlough schedule** is in full swing! We are thrilled to have meetings booked in churches almost every week for the next 5 months. We are receiving around 43% of our needed support!

Many of you have asked how **COVID** has affected deputation. Though a few churches have not yet resumed regular services, most have been back to at least partial capacity and excited to have missionaries in. Since each state has slightly different regulations, it sometimes gets confusing how to handle public settings, but ministry is all about flexibility.
