Your Servants to the Deaf in Romania

Training men in the local church
to reach the silent world.

March, 2021

Along the trail of deputation, we have enjoyed opportunities to share our **ministry with Deaf and hearing**. This has included reporting in a supporting Deaf church (*see picture*) as well as interpreting several church services into

ASL. We've also been able to provide Gospel resources to church members who are burdened for their unsaved Deaf family or neighbors. What a joy to influence Deaf lives for Christ!

We toured DC for a day while in the area.

In January and February we **spoke in 17 churches** in MD, VA, PA, and DE. We are so grateful for your prayers for health and safety, for the hospitality of God's people, and for the witnessing and discipleship opportunities this has afforded.

We are excited about an **upcoming mission trip**, July 10-17, at the **DeafNation World Expo!** Held in Las Vegas, NV, this secular event attracts thousands of Deaf people from around the world. Per DeafNation.com, it is "...an action-packed week of exhibitions, sessions, entertainment, sporting activities, presentations, and networking..." We look forward to joining a team of Deaf and hearing people to evangelize Deaf and hearing and distribute lots of Gospel literature/DVDs (see info on right). Our trip expenses have been covered already, but more laborers are needed. Would you pray about joining us? Please also pray for traveling mercies, open hearts, and for the completion of the animated Gospel DVD.

Thanks to several more churches partnering with us, we are now receiving **over 53%** of our needed financial support to live and minister to the Deaf, full-time, in Romania!

Several churches have asked if there is anything specific they can help us with, financially: Yes! Silent Word Ministries International is developing a first-of-its-kind **Animated Gospel (video) Presentation**, presenting the Gospel in American Sign Language. We will be distributing thousands of this evangelistic DVD along with two other Gospel DVDs and a host of Gospel tracts at the DeafNation World Expo (see box on left). We also look forward to using these DVDs in our

personal ministry to Deaf. All the funds for developing the video have been raised, but approximately \$8,000 more is needed for duplication and shipping costs. If you and your church

would like to help specifically with this, please make checks out to SWM (address below) with "**Animated Gospel Project**" on the memo line. To give online, go to silentword.org, click on "**Donate**", and fill out the Donation Form. Thank you!!

Did you know?
Sign language is not universal, and many countries have at least one unique sign language.
