Church-Planters to the Deaf in Romania

Training men in the local church
to reach the silent world.

May, 2023

We've been in Romania just over 100 days! Language school is going well. We have attended over 70 hours of classes (plus lots of study hours!) and can generally understand and answer very (very) simple Romanian. We have begun having basic conversations in class and the Lord's provided a few people that we can have conversations with weekly. **Scan the QR code to see how we get to class** (<5 min video)! If

Language school
hours completed: 72
Goal: 480
= 15%

you read our last prayer letter, you'll see the goal for the number of class hours has changed. This was due to a misunderstanding with how long each level took. *Please pray for stamina with our studies and wisdom with balancing homework and the home.* Please also pray for our teacher, M.H. We recently found out her husband is an orthodox priest!

We have our 5-year religious visas!! Thank you so much for praying! Our good friend and landlord worked very hard to help us get all the necessary paperwork in all the necessary offices and with all the necessary approvals by all the necessary deadlines, and we received our

residency cards on April 25!

We rely heavily on our **excellent babysitter, M.K.** for us to be able to attend language classes and complete homework. Last month we had a situation arise in her life and it seemed she would not be able to continue. However, it was unexpectedly resolved and we are so grateful! *Please continue to pray for her salvation.* She has been asking very good questions as to why we act and live the way we do, what is Easter about, etc. (She is an immigrant from a Muslim home.)

We definitely stay busy in our "free time." The twins (William and Penny) are crawling and Serenity is about to turn two!
